## 10<sup>th</sup> Grade Course Selection Form

Once you have chosen your desired courses for next school year, write the required information for each course on the lines below. Course numbers and semester values can be found on the previous page of this pre-registration packet. If needed, course descriptions can be found in the Curriculum Guide which can be found online at <http://register.hollandchristian.org>. Printed copies of the curriculum guide are also available for reference in the high school media center and the office. This sheet should be signed by yourself and a parent.

If you will not be taking one of the courses that are listed below because you are taking an alternate course that satisfies the requirement, please replace the course number with the correct number.

For PE there are two course numbers give in the box (7271/7273), please circle the one you wish to take and/or line-out the one you are not taking.

Please include 4 alternate course requests. These will only be used if a conflict makes it impossible to schedule your primary course requests. Please print neatly! Messy writing may result in your being registered for the wrong classes! This sheet will be collected on the same day you complete your course selection scan sheet.

Required Courses	Course Number	Semesters
Bible 2	8201	1
English 2	2212	2
Integrated Math 2	5246	2
