

Keynote Slideshow about your favorite movie

1. You must have at least eight slides.
2. Your first slide should contain the title of your film and your name.
3. You must have at least one graphic on each slide. The graphics need to “move” in and out of your slides.
4. Each graphic needs a caption.
5. You need text to summarize your film. Text, like graphics needs to move. Also, use different styles and fonts in your presentation.
6. Use transitions between your slides.
7. You must have a Works Cited page listing the sources you used.
8. You must add a sound to one slide.
