

# Dan Vos

My name is Dan Vos. I was born in Minneapolis, Minnesota on 1/11/01. My parent's names are Frank and Lucy. I was born at Unity Hospital, in Fridley, Minnesota. I have a younger brother named Tom.

I enjoy doing another outside and on water. One thing I like to do in the summer is go kayaking on Lake Michigan. It is a fun challenge to paddle your way through the water. It is also

fun to go out the channel in my kayak. It can be so peaceful out on the Lake on a calm sunny day. I also like to go sailboarding. It is great fun to go ripping through the water on windy days. My number one hobby is photography. I take sports photos along with family, senior portrait, and wedding photos. It is fun to explore the world with a camera.

Getting married was a

very exciting time of life. Your married life is all in front of you along with all of your dreams for the future. See Matt being born was another very exciting time. To be in the delivery room and be in on all of the action it was an incredible experience. Another very memorable experience was skydiving out of an airplane in college. I am not sure why I did it but it sure was a lot of fun.

One thing I hope to do in the future is continue to work with students and get them fired up about technology

and what it can do to help them be salt and light in the world. I would also like to get my pilots license and be able to fly airplanes for missionaries. Also being a full time photographer would be dream of mine.
