On the other side of this letter are tentative class lists for the coming 2018– 2019 school year. As always, there may be a few changes between now and the beginning of the year. We have already welcomed a few new families and are looking forward to more additions over the summer. The teachers and I, along with input from the ESS staff, created these class lists. We made every attempt to honor the requests parents made and if we did not, there were significant reasons why we could not make that work.

In August, additional information will be provided on the Holland Christian website and can be found by visiting www.hollandchristian.org, selecting Pine Ridge from the pull down menu, and clicking on the newsletter feature. Additionally, we will also send out announcements through PowerSchool.

As always, please feel free to contact us by phone, email, or stopping in at the Pine Ridge office. Have a wonderful summer with your children, family, and friends! Encourage your child to be active, read a lot of books, and take time to enjoy creation!

Looking forward to another great year, Mr. Howell
