Closing Remarks
As the book of Joshua opens, God reminds His people through the words of Rahab how the people were delivered from the hands of the Egyptians. Through God’s miraculous power, the sea split, the people of God walked through on dry land, and Pharaoh and his army were swallowed up by the sea.

In Joshua 3, the people are standing on the shores yet again—this time, not with their oppressors behind them, but the Promised Land before them. Here at the Jordan River God calls them to make the first move. He has promised them that His faithfulness endures, and He will protect them and give them victory over their enemies and even over the torrent of a flood-staged river.

At the Red Sea, God moved by dividing the sea for them to step out onto dry ground; at the shores of the Jordan River, God calls them to first step out into the water, and then He would divide the water and bring his people across on dry land. They have already been rescued, redeemed, but now are asked to show their faith in their Redeemer.

The people of God needed to trust what God had done in the past and how he promised to be faithful in order to see His miraculous movement and deliverance. Too often we simply stand on the shores of life. We are waiting for God to move in mighty and miraculous ways, and then we promise to follow. And when God does move in that way, we will follow. What the story of the Jordan River teaches us is that God has already proven Himself faithful. He is now asking (and waiting) for us to lean into His faithfulness and move, to get off the shore, get in the water, and then to see more of his mighty acts.
But first, we must be all in.

Holland Christian has been witness to God’s faithfulness for 115 years. As we look back, there have been years of plenty and years of drought. There have been years where God’s hand was easily evident and we found ourselves in God’s green pastures.

But there have also been hard years. We have been through the valley of the darkest shadow, but God has always been faithful. This is true for us as an institution, and this is true for the individual families that make up the HC Family. In full confidence of God’s past faithfulness, we will continue to lean into God’s perfect faithfulness this year and move boldly and courageously into the mission He has given us.

In early August, the entire staff met to kick off the new school year and dive in to our 2016-2017 theme. It was a great day. At the end of this day Dan asked us to all gather as a group for prayer. He asked to put our arms around each other and reflect for a moment on what we’d learned about being all in with one another this year. I wish every parent, grandparent, alumni, supporter and donor could have been there. It was beautiful, moving, and helped set the tone for the year.

We want to be “All In.” If we are, God has promised we will see His hand move in mighty and miraculous ways for His glory and the advancement of His Kingdom.

“Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.” Colossians 3:16-17
Dear Friends of Holland Christian,

Thank you for registering for the 2016 Tuition Grant Fund Auction. We are truly thankful for your faithful and generous support. The proceeds from the auction are an essential part of the $1,000,000 Holland Christian has budgeted for distribution to our families for this school year.

We are thrilled you are planning to attend the auction. The committee has been making plans for this evening since the beginning of the year. It has taken effort and support from so many different people and companies to put together what we have to present to you. And now we have the items ready to present to you so that you can read over them and make the auction successful!

We are humbled and thankful for your generous support, and for the support of those who’ve donated items. Generosity like this allows us to fulfill our mission of equipping minds and nurturing hearts to transform the world for Jesus Christ. We are grateful for the community that is Holland Christian. Thank you - we are blessed by your prayers, your time, your commitment and support of Holland Christian. We look forward to seeing you October 8, and together we’ll be “All In”.

Guests will be asked to predict the result of the auctioneer’s coin toss, and to indicate his or her choice of head or tail by placing their hand on their own “head” or “tail.”

Once the auctioneer tosses the coin and reveals the result, all those having chosen incorrectly are eliminated and must sit down.

Participants remaining will be asked to predict the outcome of the next coin toss and indicate their new choice. Play continues as such until only one participant remains standing and is the winner.

The winner goes home with a crisp $100 bill!
