Mime's the Word! (for 3rd-6th graders)

No memorization of lines or use of props are necessary in this fun and fascinating drama class! We will learn various mime skills including "the wall," "the walk," "tug of war" and other mesmerizing mime illusions. Learning mime is beneficial for any future theatre involvement and improves communication skills. Each student will prepare a short mime skit to entertain and delight at any future family gatherings. Come join the fun!

Teacher: Faith Hinken

Mrs. Hinken has taught educational theater and directed productions for civic theaters, churches, drama camps and homeschool organizations. She has also taught in Christian schools in both the mid-west and east coast where she enjoyed using creative drama as a teaching tool in just about every subject. Presently, Faith teaches theater and speech for Libertas Classical Christian School.

Cost: \$55 for all five sessions

Painting on Canvas (for 3rd-6th graders)

Back by popular demand! Learn to paint on canvas from an experienced artist. Students will learn basic techniques of acrylic painting on canvas while creating two, new and fun paintings.

Mrs. Vandewege recently retired from teaching middle school students ESL writing, Spanish, and conducting a migrant mentoring program at West Ottawa Schools. She is excited to combine her two passions; her love of teaching and painting! Holland Christian has been a large part of her life for many years. She is a former HC parent and has three grown children and three grandchildren.
